Neither the customer nor their guests or invitees may bring beverages of any kind into the Reception Center. This includes small bottles of wine used for favors. This is a Massachusetts State Law.

No alcohol can be consumed on La Salle property unless purchased at La Salle. All alcohol must be consumed in the function rooms or in the courtyard (if the event is held there). No alcohol is allowed in the parking lots. No alcohol may leave the premises at any time.

La Salle management and bar staff reserves the right to restrict or refuse service to any persons they perceive to be intoxicated or disorderly.

No individual under the age of 21 will be allowed to consume or purchase alcohol. Also, no individual will be served alcohol without proper identification. A valid driver's license or state photo identification will be the only acceptable form of identification.

The sale of alcohol will cease thirty minutes prior to the end of your scheduled event. Management reserves the right to close the bar service at any time. Bar may not be open more than six hours per event. If you choose to extend your reception beyond the six hours, no alcohol will be served during the additional time.
